

Placement Test

Preparation: You will need a copy of the novel *Maniac Magee*. Students being tested should read from the actual novel not from the Placement Test Scoring Sheet. Underline the difficult words from the Placement Test Scoring Sheet in the copy of the novel students will read from.

You will need 1 copy of the Placement Test Scoring Sheet for each student you will be testing.

You will need a timer.

Instructions for Recording Student Responses and Scoring:

As students read the passage use the following procedure to record errors.

Word read incorrectly: Write what the student said above the word. Count as 1 error.

Added word: Write a caret with the word above it where the word was inserted. Count as 1 error.

Unknown word: Give the student 3 seconds to say the word and then tell him or her the word. Write a T above the told word. Count as 1 error.

Deleted words: Draw a line through any words that are left out. Do not count deleted words when counting the total words read per minute.

Repeated words: Draw a wavy line under the word(s) that were repeated.

Self-correct: Put a check mark above the word.

Repeated words and self-corrected words do not count as errors. Students are already penalized for time with these types of errors.

Record words read per minute (wrpm) and errors on the top part of the Placement Test Scoring Sheet. To calculate the accuracy percentage, use the following formula: Subtract the number of errors from the wrpm. Divide this number by the wrpm. Multiply by 100. Example: $97 \text{ (wrpm)} - 4 \text{ (errors)} = 93$ divided by $97 = .958$ x $100 = 96\%$ accuracy.

Students reading at least 80 wrpm with 90% accuracy can be placed in this novel study. Remember, this is the student's instructional level not his or her independent reading level.

<u>Maniac Magee</u> was not born in a dump. He	9
was born in a house, a pretty ordinary house, right	19
across the river from here, in <u>Bridgeport</u> . And he had	29
regular parents, a mother and a father.	36
But not for long.	40
One day his parents left him with a sitter and took	51
the <u>P & W</u> high-speed <u>trolley</u> into the city. On the	61
way back home, they were on board when the P &	71
W had its famous crash, when the motorman was	79
drunk and took the high <u>restle</u> over the <u>Schuykill</u>	88
<u>River</u> at sixty miles an hour, and the <u>whole kaboodle</u>	98
took a swan dive into the water.	105
And just like that, Maniac was an orphan. He was	115
three years old.	118
Of course, to be accurate, he wasn't really Maniac	127
then. He was Jeffrey. <u>Jeffrey Lionel Magee</u> .	134
